Administration

Tim Neville- Principal

"To all the members of the class of 2011, congratulations! You have completed the first part of your education and are moving on to a new challenge - high school. My suggestion - meet this new challenge aggressively. Decide who you are, who you want to be, and what steps it will take to reach your goals. Work hard, dream a little, enjoy what you are doing, and don't lose sight of your goals. We're all proud of you and wish you well at the High School!"

John Coleman- Housemaster, White House

"Congratulations to the class of 2011 as you complete your JFK years and head off to high school. If I could give each of you one gift, it would be the gift of Hope - hope for a better world and hope for you to become your best possible self. It's been said that not only is it possible to live on hope alone, but we can't really live life without it. I truly believe that hope makes life worthwhile. Remember that things can always be better; don't forget that you have the power to make it so."

Sarah Collins- Housemaster, Red House

"To the JFK Class of 2011: Congratulations!! As you go on to high school, be mindful that the choices you'll be making at this point in your life will affect your future. Choose things that will challenge you: join a club, play some sports, volunteer and give back to your community. S-T-R-E-T-C-H your brain - you might be surprised at what you discover! Always try your best and focus on the positive. You'll be amazed at what you can accomplish!!"

Andrew Longey- Housemaster, Blue House

"It is important to keep in mind that hard work will always have a positive impact in your life. A strong work ethic will overcome many deficiencies students may have. No matter what struggles are in your life working hard can overcome those challenges. In addition to hard work, it is critical to have a positive attitude. Life is too short not to focus on the positive things in life. Anyone can go through life complaining about the rotten things, but a truly positive person can find something special in all situations. I wish the 8th grade class the best of luck in the future."

SPORTS

FIELD HOCKEY

“This year’s squad was such a pleasure to coach, as it was my first team as head coach. The girls were fast learners despite the complex rules of our sport. They adapted well, too. Our defense was particularly strong, and although our record was 8-6-1, only three teams technically beat us. I look forward to next fall.” – Coach Bishop

Back Row: Amanda Young (Manager), Leila Youssef, Kayleigh Shaughnessy, Madeleine Bouthiette, Coach Mary Bishop, Miranda Lempitsky, Kelli Rotatori, Stacey Kraucunas, Madison Duffy, Jaimie Wonderlie, Ashley Reid, Kathryn Cassarino, Katie Schienda.
